Seeds of Peace

By Ben Pagliaro - Inspired by words of Lon Woodrum

G   C   G   G/F#   Em

I met a stranger in the night whose lamp had cease to shine

  C   G

I paused and lit their lamp from mine

  G   C G   G/F# Em

A tempest sprang up later on and shook the world about

            C   G

When the storm was over my lamp was out

   G   C   G   G/F# Em

And back to me this stranger came their lamp was glowing fine

   C   G   C   G

They held to me their precious flame, and thus rekindled mine

Em   C   G

Yai na na nai nai nai, ya na na nai nai nai, na nai (2x)

G   C   G   G/F#   Em   C   G

Peace is a seed we'll sow, peace is what we need to see the world through a stranger's eyes

   G   C   G   G/F# Em

And hope is a lamp in the night, hope is what we bring

   C   G

to a world that's tossed and turned about

   G   C G   G/F# Em   C   G

And love comes back to me when I need it most, from unlikely places

   C   G

So I'll give it my time and patience

Em   C   G

Yai na na nai nai nai, ya na na nai nai nai, na nai (2x)
