Fmaj7 Dm7 Cmaj7 Cmaj7 Dm7 Em7

Yigdal elohim chai v'yishtabach, chai v'yishtabach

Dm7 Em7 Cmaj7 Cmaj7 Dm7 Em7

Echad v'ein yachid kiyichudo (Oh Oh Oh)

The limit does not exist between you and me
So inconceivable we cannot define our unity
Can you believe the depth of the space found in between?
Nothing to hold, we're living virtual reality
Breishit is a prophecy you see in creation
Everything from elephants down to crustacean
Each being was made with its' own destination
No GPS I guess you'll just have to be patient

Yigdal elohim chai v'yishtabach, nimitza v'ein et el mitziyuto

Dm7 Em7 Cmaj7 Cmaj7 Dm7 Em7

Echad v'ein yachid kiyichudo ne'elam v'gam ein sof l'achduto

Go up to the mountain and sip from the air
and you may just feel god's presence right there
For a moment, you can't express can't compare
Here's a secret G*d may not want me to share
You are a prophet, your name is Hashem
Maybe the best pronoun for you is them
You are holy, you're beautiful, a Gem
So we say Ani Adonai Eloheichem

Magnificent and praised be the living G!d;

G&D's existence is Eternal,

G+d's unity is infinite; G~d is unfathomable, and G!d's oneness is unending
